

BENEATH THE STARS

1. In the silent, still of the night,
By this lamp gently glowing;
This child somehow knowing was promised to be,
Meek and gentle is He.

2. In this moment God keeps His Word,
Father now and forever;
So we now may never be lost or alone,
For this child is our home.

CHORUS

Raise up your heart to God in the highest.

**This baby so heaven blessed is born to this world's
unrest.**

Beneath the stars, He is the holy child.

Call His name Jesus, Alleluia!

3. Bring Him peace and God bring Him joy,
For the love ever lasting;
His gift now surpassing all measure may be,
So much more now are we.

CHORUS

Raise up your heart to God in the highest.

**This baby so heaven blessed is born to this world's
unrest.**

Beneath the stars, He is the holy child.

Call His name Jesus, Alleluia!

**Beneath the stars, He is the holy child.
Call His name Jesus, Alleluia!**
