

## WHAT CAN I GIVE TO THE KING?

1. What can I give to the King,  
Give to the one, who has everything;  
What can I give, what gift can I bring?  
What can I give to the King;  
What can I give to the King?

2. Give him a heart  
That's opened up wide,  
Give him a life  
That's got nothing to hide,  
Give him a love  
That's tender and true,  
And he'll give it all back to you;  
Yes, he'll give it all back to you.

3. What can we give to the King,  
Give to the one who has everything;  
What can we give,  
What can we bring?  
What can we give to the King?

4. Give him all glory,  
His people on earth;  
Give him all praises  
This time of his birth;  
Give him all honour  
In all that we do:  
As he's given his life to you,  
As he's given his life to you.

5. What can we give to the King,  
Give to the one who has everything?  
What can we give to the King;  
What can we give to the King?

*(The 2<sup>nd</sup> part sings the same words, apart from missing out the last line, as an echo of the tune)*
