Chn beginning to form letters. Some children ready to form words.

Children in reception will be taught the correct formation of the cursive style of letters (upper and lower case) and digits (0 – 9) as they become developmentally ready, but will not be asked to join. Letters will be taught alongside the introduction of Read Write Inc letter sounds and in the same order (m, a, s, d, t, etc.). Any children showing an inclination to join letters at this stage may be introduced to joining if able to do so in a neat, legible style. (This will ensure that no 'bad habits' are formed). Digraphs (a pair of letters representing a single speech sound) will be introduced in a cursive and pre-cursive style.
