

Lyminster Primary School's Sport Premium Grant Action Plan 2018-2019

Total allocation

PE funding allocated two tranches (£10,412.50 & £7,437.50). total (17,850)

Key achievements to date:	Areas for further improvement and baseline evidence of need:	
<p>The consistency and quality of swim teaching has improved in the last three years. Children have learnt how to deal with difficult situations whilst out and swimming, which has been taught from beginner level all the way through. Beginners are also progressing at a quicker rate which means they are growing in competence and confidence.</p>		
Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*: based on the data provided by parents	
What percentage of your current year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	44%	
What percentage of your current year 6 cohort use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)?	66%	
What percentage of your current year 6 cohort perform safe self-rescue in different water-based situations?	33%	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?
